**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that have felt first hand the benefits of broadband competition. My family and I rely on these services. It is for this reason that I feel it my duty and responsibility to strongly advise you to oppose this petition. It is vital for the middle class to maintain telecom competition and our access to fast, affordable internet and phone service.
